Sir,

Subject: HOLDING OF SHANDIES AT SEEGAVALU AND HARADANAHALLY IN KRISHNARAJANAGAR TALUK, MYSORE DISTRICT.

With reference to your letter number L. 2864 dated 23rd August 46 forwarded by the Deputy Commissioner in memo number D3. 21 of 46-47 dated 27th September 1946 on the above subject, I have the honour to stat as follows:

That both the villages Seegavalu and Haradanahally are situated ¾ of a mile apart with a tank in between for water facilities to both of them though there is no facility at Haradanahally as at Seegavalu.

That both these villages being so near each other do not run the danger of external competition as the shandies at proximity are one at Saligrama, Krishnarajanagar Taluk, and the other at Keralapura, Arakalgud Taluk, which are 6 and 4 miles away from the aforesaid villages hold their shandies on Saturdays and Tuesdays respectively.

That in respect of both these villages copies of the enclosed Gazette notifications have been widely published, after the receipt of objections for which, the Board have resolved that shandies be given to both these villages.

Under these circumstances, I request you kindly to obtain their Orders and approval from the Government so that the holding of the shandies in the said villages may be arranged for this year alone.

Sir,

SUBJ: HOLDING OF SHANDIES AT SEEGAVALU AND HARADANAHALLI.

With reference to your letter number L. 14582 dated 22-4-1947 on the above subject, I have the honour to state that though these two shandies are different, still, for all practical purposes both of them serve an unitary purpose, being so near each other and far away from many other shandies; as such there are hardly any chances of such friction as is feared arising.

These shandies being of a minor importance, the question of consumnate facilities not forthcoming at Haradanahally may kindly be treated as subsidiary and kind approval for the Board Resolution may be obtained for opening the shandies from the forthcoming official year atleast. The notification called for in your letter is herewith enclosed.

As the District Board resolution has been made on the strength of the representations of the several villagers and not on any village Panchayet resolutions, the original representations are herewith enclosed for your kind perusal and orders.

The undersigned visited both the villages. They are situated at very short distance. On having been advised on the desirability of having only one shandy from both the villages they have ~~xf~~ agreed to do so. A definite proposal with regard to the place of common understanding for the starting of the shandy is expected from the two Village Panchayets.
